25th Anniversary: Save the Date Saturday, 16th of May

2026 marks OUTriC's 25th anniversary! Founded in the 2000/01 season, with our first Varsity in 2003, the club has grown into a vibrant community of athletes and friends. We're planning a club birthday celebration, including a three-course dinner at **St Hilda's College on Saturday, 16 May 2026**, shortly after our 22nd Varsity. You're warmly invited to attend and support. Please mark your calendars; we'd love to see as many alumni as possible back in Oxford to celebrate the club's journey. **Official RSVP will be sent out soon!**

Autumn 2025 Club Updates

We are already busy welcoming new students to the club. Here is a photo of our latest sunday long run to [Proof Social Bakehouse](#). This bakery is a strong favourite amongst our students and this year they are one of our sponsors! If you are coming to our alumni celebration there might be a morning feature with them in addition to the dinner!

Alumni Meet Ups

We have had a few people reach out as they are interested in potentially hosting/organising an alumni meet-up ahead of May. If this sounds like you, please reply to this email and let us know where you are based.

Expanding the Alumni List

We'd love to reach more former OUTriC members. If you know someone who isn't yet on this mailing list, please forward this email to them and encourage them to sign up on the form below. The bigger the community, the better the celebrations will be!

Based on the data from my latest export, here is the distribution of alumni matriculation years. Clearly, we are still missing quite a few people. If you see your year looking lean, do reach out to your friends! Yes, I have asked Sports Fed for the historical data ... no I haven't yet heard back.

And so, if you know roughly how many members the club had during your time here, please could you reply to this email and let me know? I am trying to build up a picture of our **maximum expected numbers vs actual alumni numbers**. Thank you!
