Please mark your calendars; we'd love to see as many alumni as possible back in Oxford to celebrate the club's journey.

Autumn 2025 Club Updates (BUCS)

We had our first race of the 2025-26 season with 11 athletes competing at BUCS.

We also just celebrated our holiday dinner at the Oxford Blue.

Other highlights from OUTFit members include David Pearson at the Triathlon Ireland Awards Dinner for his work on the company [My Tri Ranking](#), which he co-founded, and Emilia Miller's [video documentation](#) of her North Coast 500-mile journey.

25th Anniversary Kit - When will it arrive?

Thank you to everyone who ordered the kit! It should arrive around early January. Any questions about the kit can be directed to Tom at thomas.merritt-webster@univ.ox.ac.uk.

If you purchased an item of kit and wear it out on a ride, run or swim, please send me a photo of you in it!

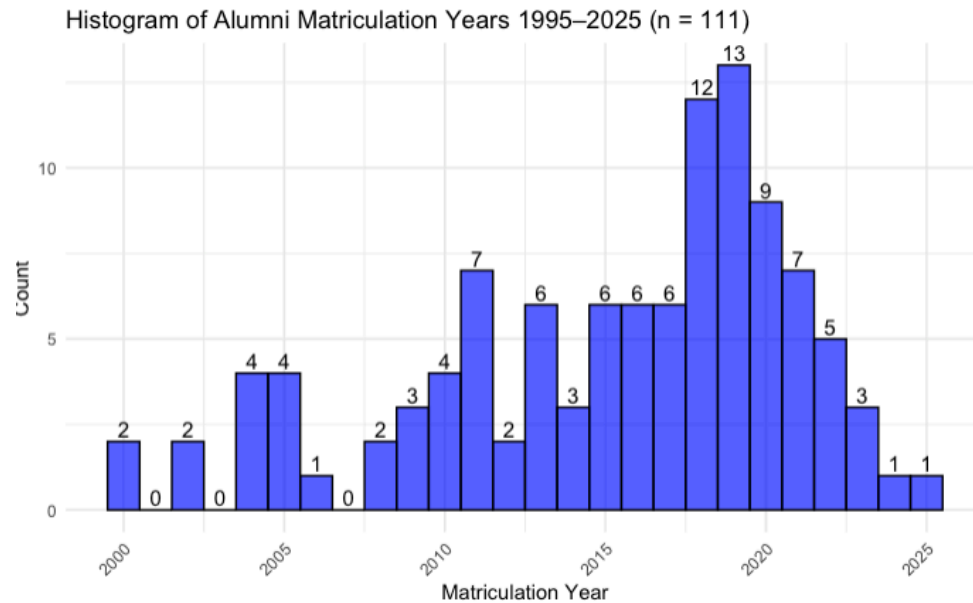

Club Goals

We have updated the alumni part of our website with the following pages:

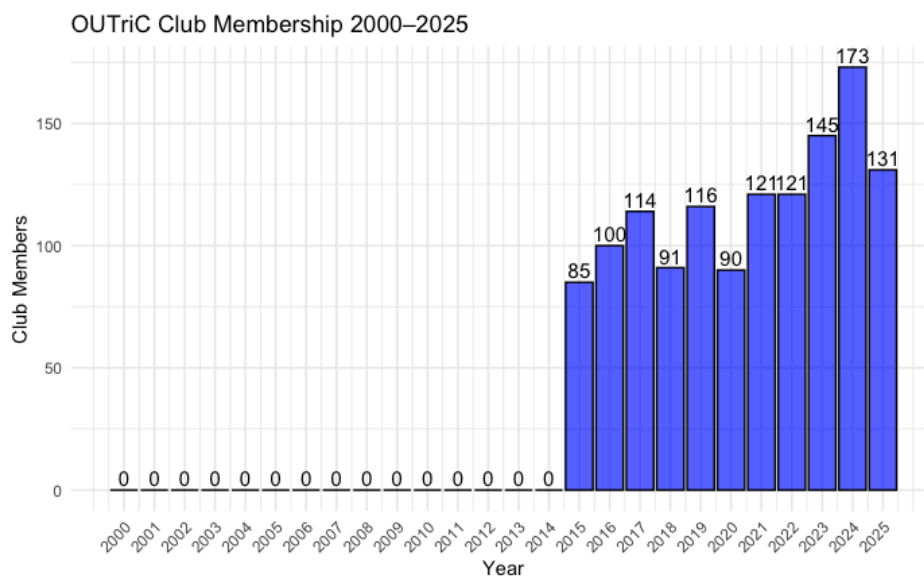

- [A Letter to Alumni, Supporters, and Friends of OUTFit](#)
- [Five-Year Club Goals – Overview](#)
- [How You Can Help](#)

Update on historical club numbers

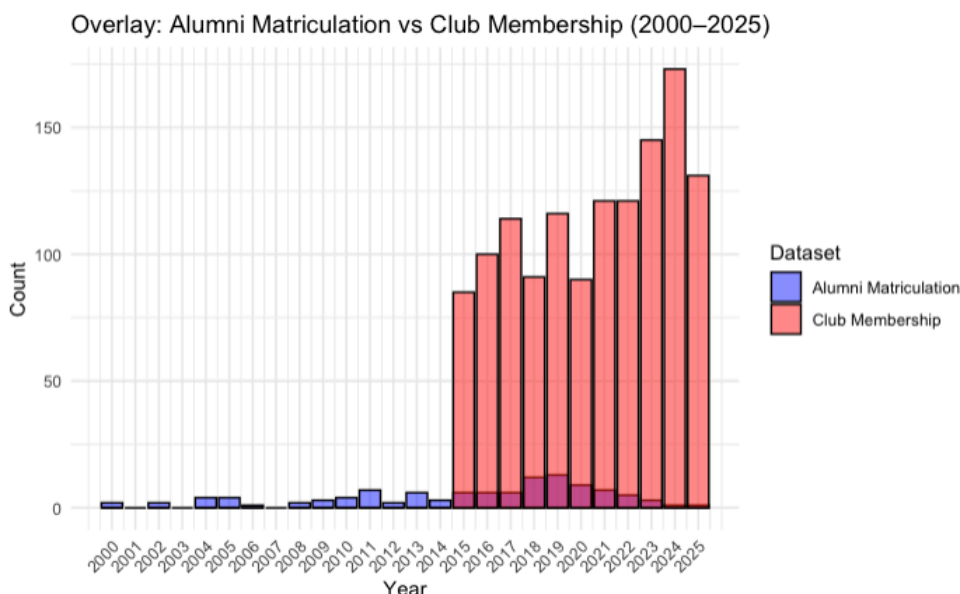

Below is our updated chart of the de-duplicated emails in our alumni database. Some of you guys might have accidentally signed up twice, as our lovely form doesn't send a confirmation email, and it is currently not in my power to set one up. I'm sorry.

And now to the historical club member data. The good news is that I heard back from Sports Fed! The bad news is that we only have historical data from 2015 onwards. If you have an estimate from your time at Oxford that can help us fix the zeros, please let me know.

Here are the two graphs overlaid, where “Alumni Matriculation” year is the spread of the years of the people on this email list and “Club Membership” is the data we have from SportsFed.

If you'd like to catch up in more detail about OUTriC, help organise an alumni event, or get involved in any other way, please do reach out. We'd love to hear from you.

Best wishes,
Sofya Lebedeva
